### TEN YEARS' TEST OF ECZEMA CURE.

After a ten years' test, oil of wintergreen, as compounded in D. D. D. Prescription, has so thoroughly, so absolutely proven its merits for skin diseases that we have arranged with the D. D. D. laboratories of Chicago for a special offer on a 25-cent trial bottle.

We ourselves became convinced years ago. Cure after cure and the testimony of the world's leading skin specialists showed us that the way to cure the skin is through the skin, not, however, by means of a salve, which always clogs the outer skin, but with a penetrating liquid that gets to the inner skin, killing the germs while soothing the healthy tissue.

The oil of wintergreen compound, D. D. D. Prescription, has so thoroughly, so absolutely proven its merits for skin diseases that the way to cure the skin ago. old favorite having opened a week's engagement at the Academy last night. Sad to remark, however, "East Lynne" has fallen from grace, in compliance, as it would seem, with the custom that has reigned with but few exceptions in that after many years of success it is apparently believed to be able to stand on its own merits as a play, regardless of the presenting cast. The company offered this week is lamentably weak. "East Lynne," as all who have seen t will admit, has an immense appeal to the emotions. It is full of pathetic episodes and heart-rending and tear-bringpreted, it is a play that is well worth the sitting through; in fact, there are few of us who are willing to say, except, perhaps, in a boastful way, that we have not witnessed it and enjoyed it and wept, figuratively speaking, buckets of tears. It is hardly worth while to go into the plot of this emotional drama, but it may be added that the cast includes Miss Grace Weiby in the dual role of Lady Isabel and Mme. Vine, Miss Dunwolde as Barbara Hare, Joseph Henly as Archibald Carlyle, and Miss Vickers as his maiden sister, William Lennox as Francis Levison, N. E. Bean as Richard Hare, Al Evans as Mr. Dill. and Baby Florence Vickers as "Little Willie."

# BELMONT NAG WINS

Priscillian's Initial Appearance at Pimlico.

#### TAKES NEW HOWARD RACE

Big Horse Surprises Crowd with Speed-Ethon Starts Race as Favorite, but the Belmont Gelding Captures Evens by Half a Length. Odds Drop from 5 to 1 to 31-2.

Baltimore, May 2.-In making his first appearance on the American turf after an inglorious racing career in England, Priscillian, August Belmont's big chestnut gelding, ran an impressive race in the New Howard handicap, the feature of the eleventh day's programme of the spring meeting of the Maryland Jockey Club at Pimlico this afternoon. Taking up 120 pounds, Priscillian raced with a field of some of the best sprinters, while Eddie Dugan had to shake the big fellow

up in the stretch posing of Pantoufle, strongly played. It was a grand effort for Priscillian, considering it was his first time out this season. Ethon was played as the favorite, while Priscillian was offered at 5 to 1. 100 A stiff play at post time sent Priscillian's price down to 31/2. Just as soon as the barrier went up Dugan got busy with his mount, and with a great turn of speed Priscillian worked his way up and, moving up on the back turn, caught Pantouffe in the stretch and outgaming him secured the race by half a length. In the Belvidere stakes The Monk,

carrying 81 pounds, was made the favorite, with Jubilee second choice. The latter displayed such speed that he won easily from Pins and Needles. The other feature, the steeplechase at two miles, went to the favorite, Black

did not display any of his old speed. It was a big day for Jockey Dugan, who rode three winners.
